About ChurchLink

>> What is ChurchLink?

ChurchLink is an empowering tool that offers churches a digital address equipped with digital tools. These digital tools enable churches interact with members in various forms including prebooking of church events, meetings, activities and payment for various church related givings.

>> What can I do with ChurchLink?

You can enroll worshipers for various services.

You can capture details of worshipers attending.

You can generate reports on attendance.

>> How do I get ChurchLink?

1. Go to www.paylink.today and sign up to register. You will be issued with a link and your personal Dashboard.
2. Simply share the link with your members/worshipers.

Benefits of ChurchLink

- The tool is offered by a URL link. You can share it through SMS or on social media pages like WhatsApp, Facebook, LinkedIn etc..
- Reports can be generated at any time for onward submission to authorities.
- Reports and interfaces are customizable meaning the church decides the kind of information to collect from members.
- Enables churches plan in advance for attendees.
- Ultimately makes the church compliant with the rules set by government.
- ChurchLink is safe and secure and is powered by PaySwitch. PaySwitch is a payment processing company in Ghana. It operates with world class standard technology platforms and professionals and has so far completed numerous transactions that are backed by fraud prevention solutions. PaySwitch is certified under the Data Protection Act, Act 2012 (Act 843), ISO 27001 Certified and PCI DSS Compliant. PaySwitch operates under the new Payment Systems and Service Act, 2019 (Act 987).
