## About the MomoPOS app

MomoPOS enable you to use POS on your smart phone or smart device. It is free to download. Visit the Google Play Store (android) or the Apple Store (iOS), download and install the app.

Once installed, you get access to your Dashboard and you can use it to monitor payments in real-time, perform all POS functions and more.

MomoPOS accepts all payment types in Ghana and around the world, including Mobile Money on all networks.

The MomoPOS app works for businesses with single shops or multiple shops and it allows you to collect, float and monitor transactions seamlessly. MomoPOS also allows you to receive settlement into either your bank account or your mobile wallet. You can also transfer funds to your preferred accounts/wallets.

MomoPOS is powered by PaySwitch. PaySwitch is a payment processing company in Ghana. It operates with world class standard technology platforms and professionals and has so far completed numerous transactions that are backed by fraud prevention solutions. PaySwitch is certified under the Data Protection Act, Act 2012 (Act843), ISO 27001 Certified and PCI DSS Compliant. PaySwitch operates under the new Payment Systems and Service Act, 2019 (Act 987).

Visit your android or iOS store today to download the MomoPOS app.
