About PayLink

PayLink is a payment solution designed to enable individuals or organizations receive payments (for goods, services and donations) through a secured payment link that is easy to set-up and use.

All you need to do is to create a unique payment link on www.PayLink.today and have it shared with your customers/members, etc. You also get to manage your payment link on your smart dashboard.

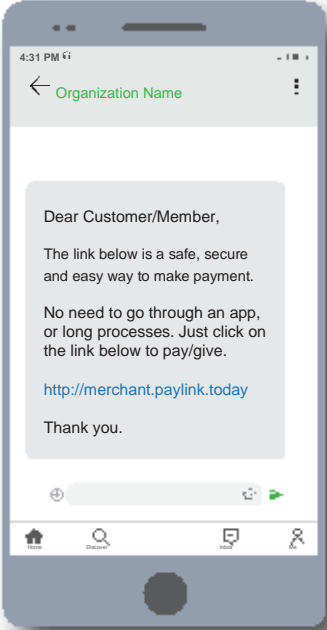

You can share the payment-link through text messages, emails, social media pages or on any other platform. You can also embed it into your website. It is a plug and play solution and requires no integration work.

Your customers/members can pay you using either payment cards or mobile money transactions. PayLink accepts all payment types in Ghana and around the world, including eWallets.

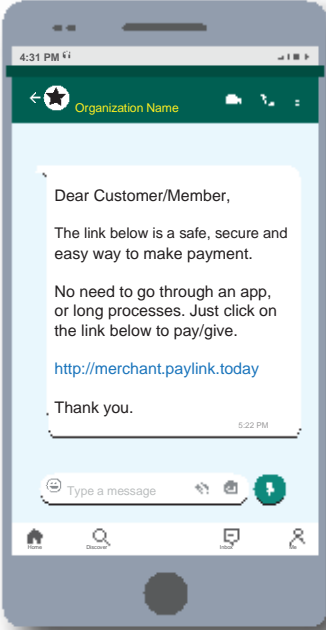

PayBox is powered by PaySwitch. PaySwitch is a payment processing company in Ghana. It operates with world class technology platforms and professionals and has so far completed numerous transactions that are backed by fraud prevention solutions that are of the highest standards. PaySwitch is licensed by BoG, certified under the Data Protection Act - Act 2012 (Act843), ISO 27001 certified and PCI DSS compliant. PaySwitch also operates under the new Payment Systems and Service Act, 2019 (Act 987).
